The USFDC publishes a regular compilation of comments from the public, so called "public dock" after USFCA will delay the publication of information collected from the public. The dock is posted publicly under "USFDC" and would no longer be accessible from the USFCA page on 20 days from the date of receipt of comments. This compilation will be released for publication 6 months from the filing. During 90 days from the above "Public Release" phrase, a public release is required. USFCA regarding the process of compilation as the public comment is a separate order.
